

FJR1300 HANDLEBAR CONVERSION

The club has developed a conversion to fit Renthal tubular type handle bars with the use of a set of Modified Renthal clamps and special bolts. No big modifications are needed ie no drilling or re-routing of cables, although two small pilot holes need to be drilled into the handlebars to locate the switchgear pegs. Your standard handle bars can be retro-fitted at any time.

Superbike bars offers over OE bars, a drop of 20-25mm and forward distance of between 60-45mm.

Ren-clamps	Renthal clamps	£68.00
Ren-s-bars	Renthal super bike bars	£27.00
Ren-Grips	Renthal road / race grips	£14.00

Handlebar conversion will only fit 2001-2005 models

FJR1300 HANDLEBAR RISERS

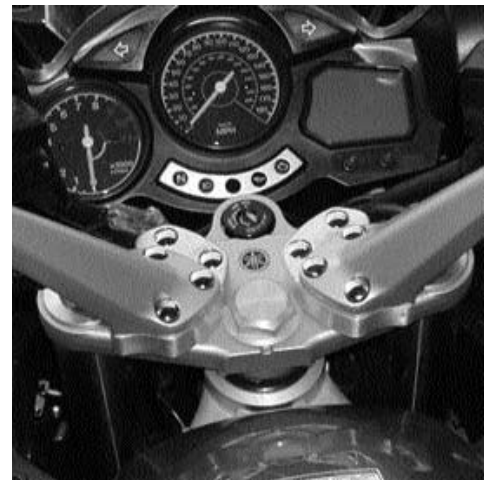

FJR1300 2001-2005 Model

These risers not only raise (20mm), but pull back (25mm) the OE Yamaha handle bars.

This makes for a more comfortable riding position by offering less pressure on both the arms and wrists.

Simple fitment and no adjustment of cables needed..

Comes supplied with all fittings and chrome cover clips.
