

FJR1300 BRAKE PADS

We supply sintered Bendix pads for the front brakes of 2001-2005 models and either Sintered Carbon Lorraine (CL-PADS) pads as replacement for the o/e Yamaha pads of 2006> models or the new fully sintered Lucas TRW pads. There are 4 pads per disc on the 06> models. All FJR models use the same rear pads. All prices are per disc. All pads supplied by the club are performance pads and will increase braking performance.

R-PADS rear sintered pads
£19.00 (All models)

F-PADS front pads
£19.00 (01-05)

CL-PADS Front pads
£28.00 (06>models)

TRW PADS Front pads
£39.00 (06>models)

LUCAS TRW RACE TYPE PADS

Lucas TRW Front
TRW-PAD-F
£25.00 per set

LUCAS TRW HH Sintered Pads have been tested by the club in the ultimate way. These pads are the very same pads that the club FJ Race Team use on their race bikes and are the best we have found for increased stopping and good feel whilst braking so far. They work well in all conditions and adverse wear of the pads and discs has not been found to be an issue This pad is only available to fit

the R1 caliper as fitted to the FJR1300 2001 -2005 models.
All Prices Are Per Disc.

ARMSTRONG REAR PADS

Armstrong produce quality, T.U.V. approved, pads for the FJR1300 rear brake. At only £12 per set they are outstanding value for money. *Fits all models.*

Rear only

ARM-PAD-R Rear pads
£12.00 per set
