FJ Owners Club Application Form

Dear Owner

I hope you decide to join the FJ & Sports Tourer Owners Club and enjoy all the benefits we have arranged, the club has been going over 12 year.

These vary from Social events, Rallies, Tours, Technical Advice, Discount on Spares, and Friendship, also there is a quarterly news letter called Fast Journal which will inform you of coming events along with, Owners Tips, Members Letters, Modifications, and test write ups and articles written by members within the Club.

We have an Accessory Catalogue which list many accessories that the Club recommend with items ranging from exhaust system to S/S fasteners. If you are after a part for your certain model please contact Phil.

Also we have FJ Owners Club Regalia ranging from T shirts, Key fobs, Club stickers, cloth and enamel Badges

At the time of writing there is over 1600 members and many joining monthly. The club is run by myself full time along with Jenny & Mark Lodge

Remember That we will only get out of the club what we are willing to put in, so write in with anything that you would want the club to do or anything that fellow Club' members would be interested to hear.

For those of you who decide to join I'll be sending out the latest

Fast Journal, FJ O.C Catalogue, club sticker and your membership card.

Phil (Doc) Hacker

cut along line
